2011 MT GOV IT CONFERENCE
Better Business. Better Technology. Better Government.

Attention IT Conference Attendees:

➢ The final conference schedule and updated session information have been posted at itconference.mt.gov.

➢ Online registration will be closing Friday, December 2nd at 5:00pm, visit itconference.mt.gov to register before then, or you may register at the door.

➢ If you are interested in attending the ESRI pre conference training, or the Microsoft SharePoint Training Workshops you need to pre-register by emailing pbeto@mt.gov.

➢ This year's conference sponsors, vendors, speakers and attendees have a new way to communicate with each other, Twitter! The IT Conference has its own hashtag, #mtgovconf.

So, for you Tweeple out there using Twitter on your personal device, you can use the #mtgovconf hashtag to join in the IT Conference conversations. Simply include #mtgovconf in your tweets and it will be searchable by others and it will be displayed on the twitter wall that will be on display at the conference.

See you next week, if you have any questions please contact

Penne Beto, pbeto@mt.gov
or
Gordy Conn, gconn@mt.gov
